

# STEP BY STEP GUIDE - 3D TRIAL ROOM

1. Click on the button  or the icon  on the product image to begin.

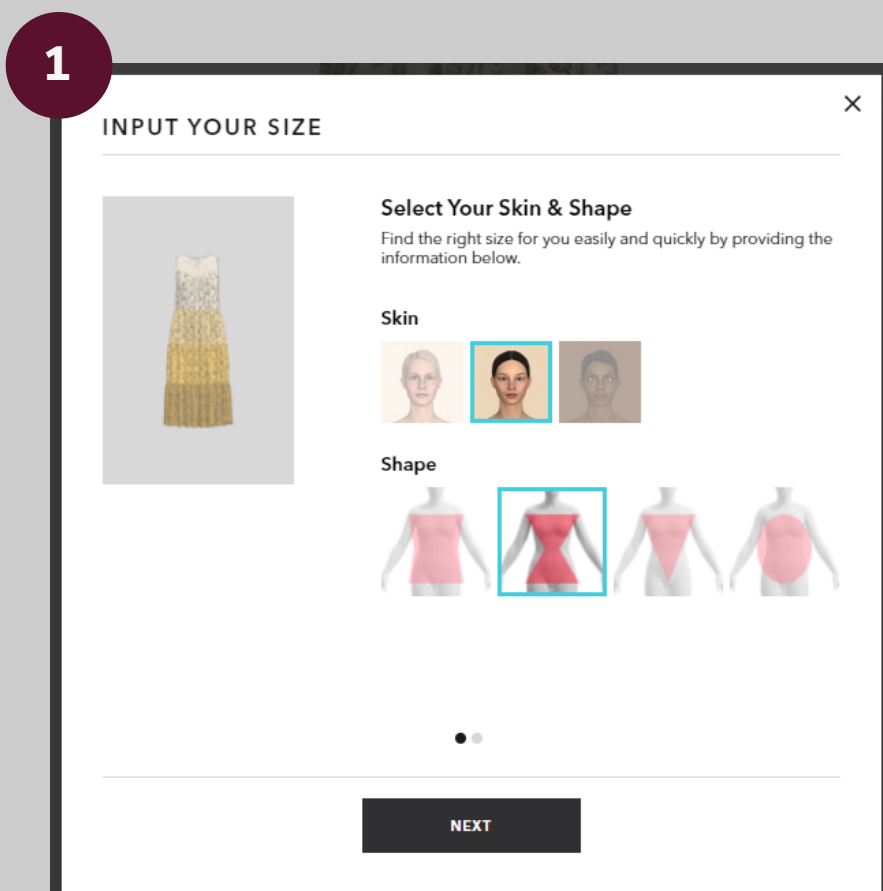

2. This will open up the 3D Trial Room window

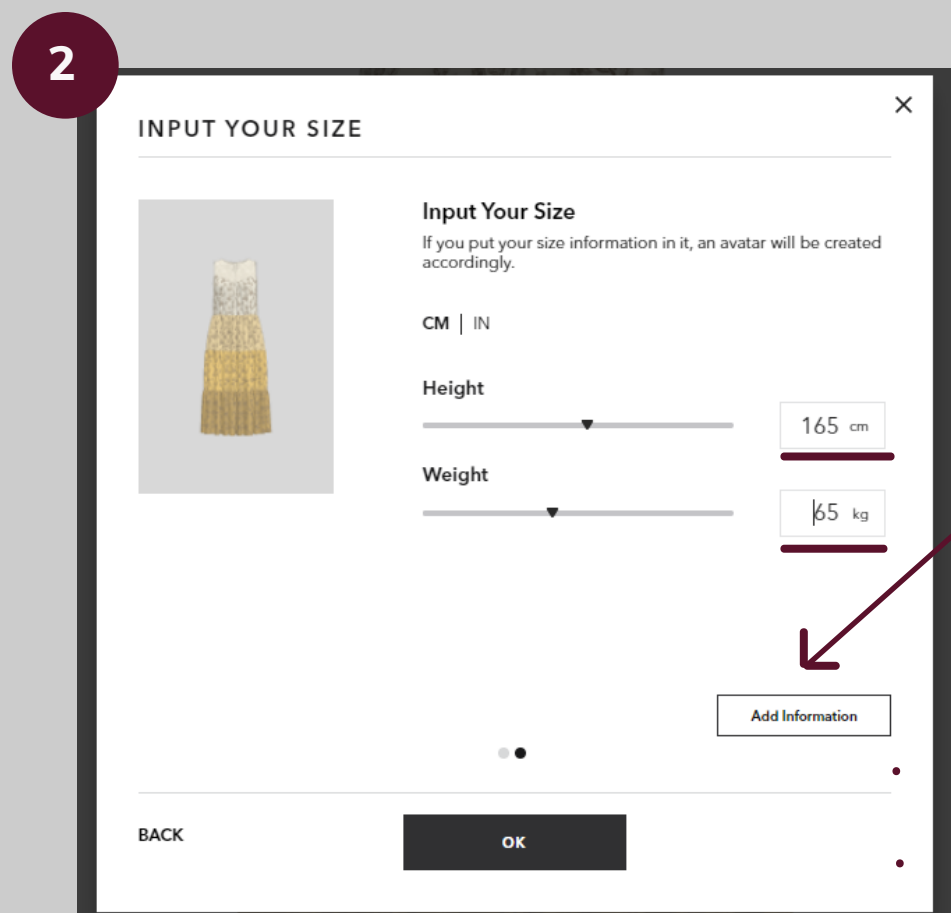

Use the right tab panel to begin. Start by first clicking on **Input your size**

3. Add information to create your 3D avatar

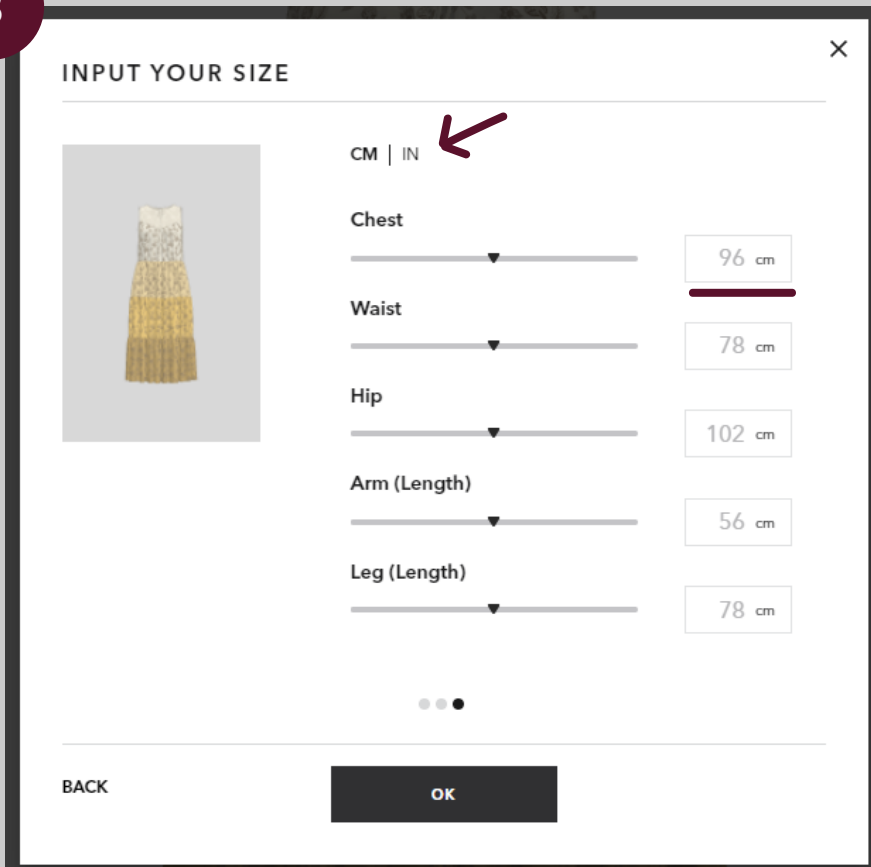

Select skin tone and body shape for your avatar. Then click **NEXT**

Click inside the boxes to add your height and weight (change from cms to inches, as you prefer)

Then click **ADD INFORMATION** to further customise your Avatar or click **OK** to build your avatar.

3

You can add any additional measurements like bust size, waist size in cms or inches, for a more accurate 3D avatar. If you don't know, don't worry, these are optional.

When you are done, click **OK** to build your avatar.

4. Your personalised 3D avatar is now ready and wearing the garment you have chosen. **Select size at the bottom to compare the fitting,**

- > Edit your avatar's measurements
- > Hide your avatar
- > Screenshot to share
- > Expand to full screen

Select the size of garment you want to try, **S, M, L, XL, XXL**

4. Click **FIT VIEW** to see the Heat Mapping technology and get a genuine sense of how it will fit on you.

- > Edit your avatar's measurements
- > Check fit by making the garment translucent
- > Screenshot to share
- > Expand to full screen

The blue indicates a loose relaxed fit, red indicates tightness of the garment and greens & yellow indicate a fitted feel on either ends of the spectrum – as depicted in the marker to the left

**Move sizes up or down, till you find the fit that's just right for you!**

Click **STYLE** to head back to the previous screen or click **X** on the top right corner to exit.
